

PROCUREMENT & ENVIRONMENT

3rd UIC/ UNIFE NETWORK MEETING

at UIC, PARIS - APRIL 26, 2005

Key Words

Railways and rolling stock, Environmental requirements, Procurement processes, Indicators and Data formats

The Vision

The rail sector aims to continuously improve the rolling stock procurement for the benefit of society, the environment and the business. By improved environmental communication between stakeholders, the UIC/ UNIFE Procurement & Environment Network will contribute to improve the competitive advantage of the rail sector.

The Purpose

The meeting will bring participants a joint step forward towards concrete environmental requirements for railway rolling stock. Firstly, by presenting the draft UIC leaflet "Environmental Specifications for new Rolling Stock", the preliminary outcome of the UIC project PROSPER. Secondly, to discuss the opportunities and challenges of Eco-procurement.

Who should attend this meeting?

Rail Operators:

- + Procurement Experts
- + Rolling stock and technical managers
- + Environmental Experts
- + Infrastructure Managers

Rail Industry & Component Suppliers:

- + Product Designers
- + Procurement Experts and Managers
- + Health, Safety and Environmental Experts
