Trenitalia and the Eco-procurement

Raimondo Orsini
Trenitalia-Environment and
Energy Department

Steps

- ❑ Definition of a Corporate environmental policy with aims and goals
 - ❑ Need of guidelines for new rolling stock
- ❑ Our first experience: “Italian Environmental Guidelines for Rolling Stock”
 - ❑ The PROSPER project

The UIC Fiche

- The Fiche: the “historical tool”
- Use of the PROSPER Fiche in Trenitalia:
 - ✓ Guidelines perspective
 - ✓ Business processes
