

PROSPER - Paris 26/04/2005

W. Bontinck SNCB/NMBS-Holding

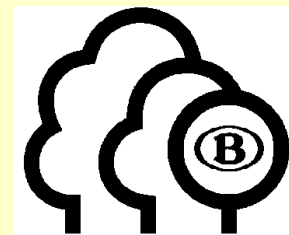

SNCB - new structure

PROSPER - SNCB-Holding

SNCB-Holding \ environmental division

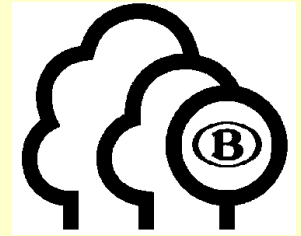

remains the

advisor for all environmental affairs of the SNCB-group

- **PROSPER is our guideline for our advice**
- **PROSPER contributes to a stronger dialog with SNCB**
- **PROSPER offers an opportunity of direct info from and consultation with the industry**

PROSPER - SNCB

Is PROSPER useful ?

- reference document
- check-list of existing regulation and upcoming trends
- offers recommendations in the non regulated fields

Will SNCB use PROSPER ?

- cost efficiency is top priority
- low investment cost versus LCC approach
- leaflet form, formal approval of UIC and co-operation with industry are vital
